Leave of Absence

Students may contact the Student Services (Records) Office to apply for a leave of absence if they are forced to be absent for an extended period of time but plan to return to school once the leave is over. A student must be able to pick up in their coursework at the point he/she left off. Prior approval from instructors and the Provost/Chief Academic Officer is required. A student on an approved leave of absence is not considered to be withdrawn (per instructors and Provost/Chief Academic Officer). A student may be granted only one leave of absence, not to exceed 180 days, within a 12-month period. Multiple leaves within a 12-month period are permissible for military reasons or for circumstances covered by the Family and Medical Leave Act: 1) serious health condition of student; 2) care of a child, spouse or parent with a serious health condition; 3) childbirth, or 4) adoption of a child or fostering a child.

If a student does not return to school from an approved leave of absence, the school will determine the student’s withdrawal date to be the date the leave of absence began. Any refund/repayment obligations owed by the student will be calculated using that date.
